

# Waterall Quality Pork Butchers

## About Us

May we introduce ourselves? Our family business has traded as a Pork Butchers in Sheffield for over 50 years. We pride ourselves on providing high quality traditional Pork Pies, Cooked Meats, and Sausages made with produce sourced where ever possible from local Sheffield farmers & suppliers.

Our aim is to provide a quality service to all our customers new and old.

Just a word or two about our Pork Pies, made to an old closely guarded recipe, they come in a variety of sizes and are baked fresh every day. Over 200,000 are sold every year! We also have a range of impressive celebration and speciality pies.

Our range of traditional cooked meats (with no added water) are cooked on our own premises so we control the quality.

And don't forget about our Pork! We have an extensive range of fresh pork, including our famous loin and leg joints, shoulder and succulent belly pork.
